# Commencement

Spring Semester 2026

Saturday, May 9, 2026  
Santander Arena

## Message from the Chancellor

**On behalf of the faculty, staff, and administration at Penn State Berks, it is my great honor to congratulate our 2026 Spring graduates.**

The day you have been waiting for has finally arrived. Commencement is a significant milestone and a time of hope and excitement for the future. Take some time to celebrate your accomplishments with those who have believed in you and supported you along the way. Through determination and resilience, you have transformed and grown in many ways during your time at Penn State Berks. Now is the time to believe in yourself and have confidence in your knowledge and abilities.

It has been our privilege to help educate and guide you in preparation for your next adventure, whether it's beginning your career journey, pursuing entrepreneurial opportunities, or continuing your education. For some of you, the future may seem uncertain. No matter what path you take, remember to pursue your passions and be open to new possibilities.

Now, as a new member of another Penn State community, you join more than 800,000 Penn State alumni around the state, nation, and world. I encourage you to remain connected to your Penn State Berks family in some way; we will be excited to hear from you, to welcome you back to the campus, and to learn about your accomplishments.

Thank you for the time you have spent as a member of the Penn State Berks community and for your contributions to the campus. Each and every one of you has made a lasting impression on the college.

As Penn State Berks alumni, you represent the future and you have the power to create a better, more sustainable world. We wish you continued success.

**Dr. Suniti Moudgil, Chief Technology Officer,  
Carpenter Technology Corporation**

Dr. Suniti Moudgil is an accomplished technology executive with more than two decades of experience advancing innovation and growth across the specialty materials and chemicals industries. Her work connects technology strategy to business priorities, translating research into differentiated products and long-term value.

As Chief Technology Officer of Carpenter Technology Corporation, Moudgil leads the research and development unit of the organization and shapes the technology portfolio to be aligned to business priorities and customer needs. She sponsors the intellectual property pipeline and serves on the executive team responsible for the company's strategic direction.

Committed to education and community, Moudgil serves on the Penn State Berks Advisory Board and its Development Committee, supporting the campus's mission and impact within the broader Penn State University system.

Before joining Carpenter Technology in December 2021, Moudgil spent nearly 18 years at the DuPont Company in technical and commercial leadership roles. As Global Technology Leader for DuPont's electronics and industrial business unit, she set technology strategy and led research and development for multiple product lines. She previously held positions at DuPont in research and development, strategy, marketing, and operations.

Across her career, her work has focused on fostering strong, collaborative teams, clarifying where innovation can create the most impact, and connecting long-range research to near-term execution through cross-functional partnership.

Moudgil earned a B.S. in Chemical Engineering from the University of Florida and a Ph.D. in Chemical Engineering from Massachusetts Institute of Technology, with a minor in Health Sciences and Technology.

A champion of continuous learning, she earned an Executive Education Certification in AI Implications for Business Strategy from Massachusetts Institute of Technology and a certification in Leading Innovative Change from the Haas School of Business, University of California, Berkeley. She also holds Six Sigma Black Belt certification.

Moudgil is passionate about advancing strategic innovation agendas and developing next-generation STEM talent.

# Program Notes

**Dear Graduates:** Congratulations on your achievements!

The information in this document was produced on January 26, 2026, as an unofficial list of students who indicated intent to graduate for the spring semester. Students who indicated their intent to graduate after that date are not listed on the printed program, however will be found on the digital copy through the QR code below.

If you have question about your name, degree, or distinction listed in this program, please reach out to the Penn State Berks Registrar's Office at [bk-registrar@psu.edu](mailto:bk-registrar@psu.edu).

**Associate Degree:** The associate degrees granted by the University emphasize a liberal, professional, or scientific education and are conferred upon satisfactory completion of four semesters of study.

**Baccalaureate Degree:** The baccalaureate degrees granted by the University emphasize a liberal, professional, or scientific education and are conferred upon satisfactory completion of eight semesters of study.

Subject to completion of all degree requirements and satisfaction of minimum criteria. Distinction may be conferred as indicated upon the individuals listed herein and upon such others as may meet the requirements.

## Photography

GradImages, a professional photographer of college and high school graduations, will be present at the ceremony. They will take photos of each graduate as they cross the stage. Students will be asked to complete a GradImages information card with their names, Penn State email addresses (valid for 6 months after graduation), and other contact information. Photo proofs will be available to graduates within 3-5 days following the ceremony. GradImages will send the proofs via USPS, email, and/or text, based on the contact information they have received from each graduate.
