Penn State Berks

Planning, Research & Assessment

Planning, Research & Assessment

Welcome

The Penn State Berks Planning, Research & Assessment Office has created the 2008 Environmental Scan to aide in future planning initiatives at the College. This document contains population and demographic information from the U.S. Census Bureau's 2006 American Community Survey <http://www.census.gov/acs/www/>. Pennsylvania state and county data is provided. The focus was put on Berks County and several other surrounding counties, where the majority of Penn State Berks student population resides. The data gathered will give the College a more defined look at the population eligible to enroll at Penn State Berks.

The Environmental Scan contains several chapters:

- Overall Population
- Age and Gender
- Race
- School Enrollment
- Income
- Commute Time
- Labor

Any questions or to request a hard copy, please contact Dr. Mary Lou D'Allegro at 610.396.6389 or mad23@psu.edu or Stefanie Kerns at 610.396.6386 or slk37@psu.edu.
