

## Biography

### **Arvind Jangi**

*Executive Vice President, Business Information Officer  
Corporate Business Technologies  
MasterCard Technologies & Operations*

Arvind Jangi is Executive Vice President, Business Information Officer, overseeing the Corporate and Marketing Functions division within MasterCard Technologies & Operations. This role includes oversight of functions that partners with executives from Marketing, Finance, Legal and Human Resources to support their technology and operations end-to-end. He helps set a clear vision and strategy with his business partners, and identifies and deploys game-changing technology-driven execution plans to provide the best in class innovative business solutions.

He brings more than 30+ years of experience in the financial services industry with expertise in Retail Banking, Treasury, Mortgage, Consumer Finance and Credit Card businesses. Arvind has held leadership positions in information technology and business. During the last 18 years he has partnered with CEOs/Presidents as CIO and has been part of their senior leadership team, to lead, grow and transform organizations to achieve additional success.

Prior to joining MasterCard, Arvind also founded, built and managed a Management Consulting and IT Solutions business with operations in US and India. Consulted with and delivered IT solutions for Fortune 500 companies and Small and Mid-sized Businesses/Enterprises in the financial services and retail industry.

Arvind holds a Bachelor of Arts (BA) degree from the University of Delhi, India in Mathematics and Economics.
