

Curriculum Planning Guide for
 Lehigh Carbon Community College Students
Liberal Arts A.A.
 Transferring to
 Penn State Berks or Penn State Lehigh Valley
Bachelor of Arts in Applied Psychology

The following model is to be used as a guide for LCCC students intending to transfer to Penn State Berks or Penn State Lehigh Valley to major in Applied Psychology. It includes all of the required courses to complete the A.A. in Liberal Arts while paralleling the freshman and sophomore years of the Penn State program. Particular electives have been recommended so that they will fulfill both the requirements of LCCC and those of Penn State Berks and Penn State Lehigh Valley. Students wishing to take electives other than those recommended below are advised to select courses that will fulfill specific general education requirements at Penn State. LCCC students are encouraged to consult with a counselor or advisor about their educational plans.

Lehigh Carbon Community College

Satisfies Penn State Requirement for:

First Semester
